The Easter Bunny Conspiracy

iUniverse *Set in late-1950s Los Angeles, the Easter Bunny Conspiracy is a grippingly funny coming-of-age tale told from the point of view of a precocious 12 year-old Catholic boy, Chris Kelly. Chris is struggling to find himself despite the burdens of his being as overweight as he is obsessed with and equally confused by girls, being as agnostic as he is Catholic, and as unsure as he is (almost) poised about coping with all the crazy but accepted traditions, customs, prejudices, contradictions and hypocrisies with which he's confronted each day. Chris problem is that he hasn't yet figured out that he's right to be confused about everyone around him so readily accepting being grounded in one way or another on deceits such as what Chris calls that Easter Bunny thing. Chris needs are simple - just to make his way in the world. Aided by flashbacks on his own experiences, Chris story is about his overcoming the fiery crucible of the 3 days before his Confirmation, which enable him to reach his personal epiphany and stride with semi-confidence into his still-uncertain future with an ethically tolerable plan. Our voyage through these stormy adolescent seas is at once poignant and hilarious. Its bittersweet comedy at its best. You can't help but love it.*

The Queen's Christmas & Easter Messages

Queen Elizabeth II Describes the Significance of Christmas & Easter

Holy Fire Publishing *Her Majesty Queen Elizabeth II, in the first of her annual Christmas Speeches (1952), reminded us that 'Peace on earth, Goodwill toward all' is the eternal message of Christmas and the desire of us all. The Queen's Christmas Message describes the significance of Christmas as well as giving us The Queen's compassionate review of each year. This book compiles in one volume Her Majesty's reflections on Christmas with excerpts from all her annual Christmas Broadcasts. "The Queen's Christmas Message is an appealing, highly unusual and very creative anthology. After an introduction about the Queen's public expression of faith, Geoffrey Waugh provides a selection of noteworthy passages about Christmas from the Queen's Christmas messages from 1952 to 2017. He sets them into context by brief historical references, photos, and Christmas stamps. Finally there is an epilogue of famous Christmas hymns and carols including those used in the Christmas Broadcasts. This book would be the perfect Christmas present." Alison Sherrington (Author) "A new and innovative approach to the Christmas Story and its clear message of peace and goodwill to all. It is a rewarding experience to read it from cover to cover." Don Hill (Consultant) "I haven't seen anyone else draw the events of the last 65 years together in this way before. Using the Queen's speeches not only ties in the unfolding events of our time but reveals a deep spiritual glue that provides a fascinating and intimate insight into the personal life of our Queen. A fascinating read. 5 Stars." Rev Philip Waugh (Minister)*

I Could Not See God, But God Could See Me It All Happened for a Reason

iUniverse *Four-year-old Carolyn Christian was playing outside her home in Alabama when she found herself standing in front of an old door. Curious, Carolyn looked through the keyhole and saw something she would remember for the rest of her life. It was at that moment that she learned that God was watching out for her—always. Carolyn chronicles her life from age two to present, telling the story of how she found God even through her most challenging moments. Carolyn shares not only poignant, but also humorous anecdotes that detail unforgettable moments from her childhood like the time she pretended to be tipsy from drinking the communion wine at church and the evening she mashed potatoes without draining the water, ending up with potato juice instead. As Carolyn discloses the confusion she felt as a young girl when she was sexually molested by a family friend, she also shares an inspirational message that God provided her with strength, even during her darkest hours. By offering an honest and self-disclosing glimpse into her life story, Carolyn inspires women everywhere to trust that God will always live in their hearts.*

Easter Fire

Fire Starters for the Easter Weekday Homily

Liturgical Press *Widely embraced by homilists and those interested in reflecting more deeply on the daily Lectionary readings, Bishop Richard Sklba's Fire Starters: Igniting the Holy in the Weekday Homily has served as a practical resource for preparing engaging weekday homilies for Ordinary Time. After much anticipation, Bishop Sklba and coauthor Fr. Joseph Juknialis now offer Easter Fire, a welcome companion to support anyone called to preach at Easter weekday Masses. Easter Fire provides the biblical citations and summary phrases for the reading and the gospel plus the refrain from the psalm each day. After each citation, the authors offer a series of meaningful insights based on Scripture scholarship, their own prayerful reflection on the texts, and years of preaching and pastoral experience. These brief "bullet point" entries provide nuggets of knowledge and inspiration that will stimulate personal prayer and spark homily possibilities for the preacher every day. Easter Fire will ignite sparks that can be enflamed by God's Spirit, to not only enrich the spiritual journey but to add light and warmth for the preparation of weekday homilies during the Easter season.*

Passing Over Easter

Constructing the Boundaries of Messianic Judaism

Rowman Altamira *Chosen by Yahweh, saved by Jesus, Messianic Jews identify themselves as both Christian and Jewish and yet neither. Passing Over Easter brings this peculiar movement to life with an ethnographic look at Adat HaRauch, a Messianic Jewish congregation in Southern California. The ethnic Jews who have "found the Lord," the Gentiles with a "heart for Israel" that make up Adat HaRauch negotiate their identity borrowing from both traditions. The congregants see Yshua (the Hebrew name for Jesus) as the Jewish Messiah, the passover matzoh as symbolic of Yshua's body being broken for sinners, the New Testament as a fulfillment of the Old. Through participant observation, in-depth interviews, and reflections on her own beliefs and role as researcher, Feher paints a fascinating picture of this fluctuating religious group. Passing Over Easter makes a compelling read for sociologists concerned with new religious movements and group formation, students of Jewish identity and Jewish-Christian relations and anyone interested in the contemporary American religious scene.*

Prelude to the Easter Rising

Sir Roger Casement in Imperial Germany

Routledge *Prelude to the Easter Rising casts light upon the clandestine activities of Sir Roger Casement in Imperial Germany from 1914 to 1916. German military intelligence and the Imperial Foreign Office had far-reaching plans to use the Irish in the war against Britain. Radical Irish-American leaders were behind Casement's mission to Berlin. It took some time for the highly sensitive and idealistic Casement to realize that neither the German General Staff nor the Imperial Chancellor was able or willing to lend full military support to the Irish. When Casement began to see that the rising would be a bloody massacre, he left for Ireland to halt the fatal development and, if necessary, sacrifice his own honour and life. The carefully edited documents contained in this volume, mostly from the German Foreign Office archives in Bonn, present a full record of Casement's activities prior to Easter 1916. Over 80 years later, these papers have lost none of their emotional intimacy.*

In My Grandmother's House

Black Women, Faith, and the Stories We Inherit

Broadleaf Books What if the most steadfast faith you'll ever encounter comes from a Black grandmother? The church mothers who raised Yolanda Pierce, dean of Howard University School of Divinity, were busily focused on her survival. In a world hostile to Black women's bodies and spirits, they had to be. Born on a former cotton plantation and having fled the terrors of the South, Pierce's grandmother raised her in the faith inherited from those who were enslaved. Now, in the pages of *In My Grandmother's House*, Pierce reckons with that tradition, building an everyday womanist theology rooted in liberating scriptures, experiences in the Black church, and truths from Black women's lives. Pierce tells stories that center the experiences of those living on the underside of history, teasing out the

tensions of race, spirituality, trauma, freedom, resistance, and memory. A grandmother's theology carries wisdom strong enough for future generations. The Divine has been showing up at the kitchen tables of Black women for a long time. It's time to get to know that God.

The Devil's Passion or Easter in Hell

A divine comedy in one act

Bloomsbury Publishing *Within the next hour, our operatives will isolate, engage and capture or kill the notorious leader of the most extreme, dangerous and contagious ideology to emerge in the modern era, whose terror activities represent the gravest threat to our interests across the region and the wider world. I refer, of course, to the radical preacher and populist demagogue Y'shua Bar-Yessuf - the man known, by way of shorthand to our operatives, as "Jesus?". Satan, the narrator of Justin Butcher's one-man play who is looking out for our best interests, is on a mission to harness the ways of the dangerous extremist preacher Jesus. Jesus' radical teachings and popularity have the potential to wreak havoc in the Middle East. This is exactly the sort of man the government warn us of, again and again. This clever and evocative passion play from the devil's perspective considers Jesus' relevance to contemporary issues, and retells the story of Christ's life from the perspective of the enemy. The Devil's Passion received its world premiere in June 2015 at St James's, Piccadilly, and was revived and toured in 2016.*

All Poets Welcome

The Lower East Side Poetry Scene in the 1960s

Univ of California Press *This landmark book, together with its accompanying CD, captures the heady excitement of the vibrant, irreverent poetry scene of New York's Lower East Side in the 1960s. Drawing from personal interviews with many of the participants, from unpublished letters, and from rare sound recordings, Daniel Kane brings together for the first time the people, political events, and poetic roots that coalesced into a highly influential community. From the poetry-reading venues of the early sixties, such as those at the Les Deux Mégots and Le Metro coffeehouses to The Poetry Project at St. Mark's Church, a vital forum for poets to this day, Kane traces the history of this literary renaissance, showing how it was born from a culture of publicly performed poetry. The Lower East Side in the sixties proved foundational in American verse culture, a defining era for the artistic and political avant-garde. The voices and works of John Ashbery, Amiri Baraka, Charles Bernstein, Bill Berkson, Ted Berrigan, Kenneth Koch, Bernadette Mayer, Ron Padgett, Denise Levertov, Paul Blackburn, Frank O'Hara, and many others enliven these pages, and the thirty five-track CD includes recordings of several of the poets reading from their work in the sixties and seventies. The Lower East Side's cafes, coffeehouses, and salons brought together poets of various aesthetic sensibilities, including writers associated with the so-called New York School, Beats, Black Mountain, Deep Image, San Francisco Renaissance, Umbra, and others. Kane shows that the significance for literary history of this loosely defined community of poets and artists lies in part in its reclaiming an orally centered poetic tradition, adapted specifically to open up the possibilities for an aesthetically daring, playful poetics and a politics of joy and resistance.*
