## Wacky Packages

**ABRAMS Take a fun look back at Quacker Oats, Blisterine, and more classic packaging parodies—plus an interview with creator Art Spiegelman! Known affectionately among collectors as “Wacky Packs,” the Topps stickers that parodied well-known consumer brands were a phenomenon in the 1970s—even outselling the Topps Company’s baseball cards for a while.**

But few know that the genius behind it all was none other than Art Spiegelman—the Pulitzer Prize-winning graphic novelist who created *Maus*. This treasury includes an interview with Spiegelman about his early career and his decades-long relationship with the memorabilia company—as well as a colorful compendium that will bring back memories of such products as Plastered Peanuts, Jail-O, Weakies cereal, and many more. Illustrated by notable comics artists Kim Deitch, Bill Griffith, Jay Lynch, Norm Saunders, and more, this collection is a visual treat, a load of laughs, and a tribute to a beloved product that’s been delighting kids (and adults) for decades.

## 52 Lies Every Parent Should Tell Their Kids

**This book is unbelievable! 52 Lies Every Parent Should Tell Their Kids** unmask and disarm fifty-two of the greatest lies in our culture today by simply exposing each one. The premise: **A LIE EXPOSED IS POWERLESS.** By exposing fifty-two of the greatest lies that seek to destroy our generation and future generations, we can eliminate the threat of deception before it's too late. Some of the unbelievable lies highlighted in this book: Every way is the right way. You are a disappointment. You will fail. God is mad at you. There is no hope. There is no God. Nobody cares about you. Just believe in yourself Jesus is one way.

## A Plain Account of Christian Faithfulness

## Essays in Honor of David B. McEwan

*Wipf and Stock Publishers* The title of this work—A Plain Account of Christian Faithfulness—is a play on John Wesley’s famous book, A Plain Account of Christian Perfection. It reflects the focus, character, and actions of David B. McEwan, for whom this book has been dedicated. The essays have been written by scholars from around the globe, each focusing on an aspect of faithfulness from a Wesleyan perspective, and covering the broad disciplines of Bible, theology, history, and pastoral theology. This book has something for everyone, and ultimately invites the reader into deeper Christian faith and faithfulness.

## '50s Fads and Fashions Paper Dolls

**Fads and fashion came together for the first time in the 1950s. Undulating in hula hoops, bopping to rock `n roll, drag racing and shopping for the latest fad, teen-agers took over and created their own pop culture that influenced the world. Artist Charlotte Whatley has cleverly incorporated 50 fads of the 50s into 32 fashion items in this new paper doll book from Paper Studio Press. Two couples, Bud & Beckie and Esther & Eddy, have a wardrobe of memorable 50s fashions, complete with everything from pencil skirts and penny loafers to letter sweaters and leather jackets. And, like real sisters or best friends, the two girls can share clothes! A fashion essay by David Wolfe is included along with a fun fashion quiz.**

## A Legacy Of Honour

### The Omnibus Edition

*Hachette UK* **In a future age, Gird will be known as the patron saint of warriors. And although he inspired legend, he was once just a man with a**

cause. Poverty, fear and anger shaped Gird, as he struggled to survive under an oppressive aristocracy of mageborn magic-wielders. His innate hunger for justice and love for 'his' people have taken him from humble beginnings to leadership of a peasant army. Where reason has failed, it seems the only way to end tyranny is rebellion, with perhaps some help from the gods. But Gird's fondness for drink threatens his mission and his life, as his strengths are tempered with weakness. In his passion to achieve his goals, Gird has also overlooked a great danger in his own camp. He knows his follower Luap is the bastard son of a king. But in spite of Luap's oath to seek no throne and to renounce his mage heritage, he cannot forget his past. And this will shape the Fellowship of Gird in a way no one wanted or predicted.

## A Catalyst for Ideas

# Anthropological Archaeology and the Legacy of Douglas Schwartz

*School for Advanced Research on the* In his thirty-four years as president of the School of American Research, Douglas W. Schwartz's far-reaching vision placed SAR on the intellectual edge of research about humans across the globe. Nowhere is this more evident than in his influence on the field of anthropological archaeology. The twelve essays in this volume celebrate his contributions by looking back at changes in the field and forward to vital questions, methods, and theories yet nascent. Ranging geographically from the North American Southwest-where Schwartz himself conducted extensive research-to Mesopotamia, central America, and the Indian subcontinent and chronologically from early hominid evolution through archaic hunter-gatherers to the classic and historical Maya, the distinguished contributors make the case for Schwartz's enduring legacy. Addressing major issues in relations of power, writing systems, and directions for future research, this volume is at once mature in its depth and exciting in its boldness.

## A Declaration of Faith

I'm designed to live by faith, So I will believe. I firmly believe that I am, as is each individual, designed to live by faith. We are designed with a God-shaped hole, that only He Himself can fill. And, in filling us with His presence, He makes us whole, and wholly His. Who am I to have written this book? I am a child of God! And I praise Him with each breath for the very air I breathe. I am a retired elementary school teacher having taught

for 30 years in a variety of schools, but always in the 3-4-5th grades. I loved it! Even the "difficult"; child was loved, although sometimes it was a bit more of a challenge. I was surprised to find that I also love retirement. I was able to become even more involved with my church. God is my center My reason for being He's made of my life A part of His whole.

# A Family Practice

## The Russell Doctors and the Evolving Business of Medicine, 1799-1989

**A Family Practice is the sweeping saga of four generations of doctors, Russell men seeking innovative ways to sustain themselves as medical practitioners in the American South from the early nineteenth to the latter half of the twentieth century. The thread that binds the stories in this saga is one of blood, of medical vocations passed from fathers to sons and nephews. This study of four generations of Russell doctors is an historical study with a biographical thread running through it. The authors take a wide-ranging look at the meaning of intergenerational vocations and the role of family, the economy, and social issues on the evolution of medical education and practice in the United States.**

## The Religious Wars

## The Alhambra and the Alcázar of Seville

## The History of the Famous Fortresses Constructed by the Moors in Spain

*Createspace Independent Publishing Platform* \*Includes pictures \*Includes contemporary accounts \*Includes online resources and a bibliography for further reading Tucked away on the crest of the Al-Sabika Hill in Granada of Andalusia, Spain, just left of the babbling stream of the Darro River, sits a majestic structure overlooking the charming city and mystical meadows of La Vega. This palatial fortress and the fabled Alhambra are one and the same. To those that have seen it in its full glory, this was heaven on earth itself. Many were quick to fall under the spell of its breathtaking beauty, with its admirers lovingly dubbing it "a pearl set in emeralds." At one point in time, this place had been decked out with a network of captivating castles, heavenly homes and gorgeous gardens, and a handsome military fortress envied by the city's neighboring kingdoms. This was none other than Alhambra, once so enchanting that a countless number of those who visited the place in its heyday praised it as a true paradise on earth. Today, this historic complex has become the setting and inspiration for a host of books, music, movies, and other works of art and literature, such as Washington Irving's *Tales of Alhambra*, and Marcel L'Herbier's cinematic masterpiece, *El Dorado*. A main asteroid belt has even been named after the legendary place. The exquisite work of art continues to be beloved, so much so that a campaign in 2007 attracted an estimated 5,000 hopefuls to the site. There, the thousands laced their fingers together and formed a ring around the spectacular fortress stretching 1.5 miles long, in hopes of cementing the landmark's place among the "New 7 Wonders of the World." Astounding aesthetics aside, the rich tapestry of history that unfolded

within the walls of the centuries-old palatial paradise is truly what makes Alhambra one of the classic, timeless gems in all of Europe. The Alcázar of Seville, a patchwork of enchanting palaces and gardens, is far more than just an impressive landmark - it is evidence of the beauty birthed from the multicultural Andalusian timeline, a harmonious masterpiece crafted by Muslims, Christians, and Jews. The royal estate, with 17,000 square meters of spectacular structures and 7 hectares of lavish gardens, is even more sublime in the nighttime. The rambling Moorish arches, and the gorgeous detail of the fairy-tale turrets and curtain walls - from the striking shapes of the rectangular merlons, capped with triangular cones, to the coarse, aged texture and smears of damp discoloring the ancient facade - are all the more emphasized by the torches dotted throughout the premises. But following the departure of the nocturnal visitors, the interactive tour guides (clad in elaborate costumes of historical figures just hours before), and the last of the staff, the Alcázar, some say, becomes an intoxicating, sinister maze almost impossible to escape. *The Alhambra and the Alcázar of Seville: The History of the Famous Fortresses Constructed by the Moors in Spain* offers a virtual tour of the fortress palaces, and it chronicles their history and legacy, including the events that inspired, advanced, and stalled their development throughout the years. Along with pictures of important people, places, and events, you will learn about the Alhambra and the Alcázar of Seville like never before.
