Tarot Awareness

Exploring the Spiritual Path

Llewellyn Worldwide Have you ever looked at the mysterious symbols on the Tarot cards and wondered what they meant? Or perhaps you have read the Tarot for others for many years but still don't understand how to use them for meditation and spiritual development. Or perhaps you use the intense imagery of the Tarot for meditation, but don't think it is "appropriate" to use this mystical tool for readings. Well, now you can learn the meaning of the symbols for spiritual development and for giving great readings in Stephen Walter Sterling's Tarot Awareness. The Tarot is composed of two major sections, the illustrated cards that form the Major Arcana and the cards of the Minor Arcana which are like a deck of playing cards with an extra court card for each suit. Each card has a meaning for a reading. The meanings of the cards are given in the text. The Major Arcana cards also are about the spiritual development of your consciousness. As you go through the cards, from zero to twenty-one, you follow the progression of yours spirituality. The fifty-six cards of the Minor Arcana are associated with your development from the spiritual to the physical. In fact, they deal with the four levels of progression to manifestation, the spiritual, emotional, mental, and physical. Put this all together, and for the first time you have a book which integrates spiritual and practical, meditative, and divinatory. One of the great things about the Tarot is that it's symbolic. Since the unconscious works through symbols, it speaks to you. Just working with the Tarot helps you to evolve, especially when you understand the Tarot's spiritual truths. In order to work with the cards the book shares five different readings you can do. As an added bonus, the book also deals with the difficult subject of "proximity," relating the cards in a spread to each other as opposed to just their positions in the spread. This can enhance your readings on your quest for spirituality.

The Easiest Way to Learn the Tarot - Ever!!

Dusty White This is the definitive guide to learning and mastering Tarot quickly and easily. Unique, fun, easy-to-learn exercises teach you how to hear what the cards are trying to tell you. This book is perfect for the beginner: all you need to read the tarot is this book and a deck of cards (preferably the standard Rider decks you can find anywhere).

We start you immediately practicing our unique, easy and fun exercises with your cards. You will spend your time playing with your cards, not memorizing rules and dogma from some book of archaic superstition and vague cards meanings. You see, this is not yet another book of Tarot card meanings. How boring is that? We will start your hands-on learning immediately; you will be playing with your Tarot cards as they reveal the future to you. You learn by doing, not by memorizing outdated lies and superstitions. This is our official Tarot academy textbook, the same one we use to turn beginners into professionals. This (hands-on time and practice) is essential or you will be trapped in the cycle of buying more and more Tarot books that only make you more and more reliant on them for card meanings. Here is what you will by reading this book: What your cards are telling you every time you ask a question. What various meanings your cards can have (how else can 78 cards describe the thousands of things that could happen to you on any given day?) How to cast a spread and actually get reliable answers The best spreads to use, how to use them, and when to use them (for any occasion) What the cards "traditionally mean" and why that is important, but not more important than what your intuition is telling you "right now" The difference between average Tarot readers and masters is their ability to hear their inner voice, and see how card meanings adapt to the question being asked. We help you instinctively see exactly how cards blend, influence, and aspect other cards, and how to answer ANY question, even if you have never picked up a deck.
