KEY=GUN - SANIYA LUCERO

GUN MEISTER ONLINE

ADULT AND UNCENSORED

Gun Meister Online is a recently released Virtual-Reality Combat Simulator. Players assume the role of a Meister; fighting in matches and ranking up into higher divisions. Within the game, weapons take on human shape. These NPC's use a new Dynamic Distributed Personality System recently implemented, and many are excited by how life-like the AI characters are becoming. Charlie has only just begun to play, and he struggles to grow as a Meister. At the same time, he starts to take charge of his real-life outside. Eventually, Charlie finds friendship among a group of erratic misfits along with an arsenal of beautiful weapons. Follow him on an adrenaline filled adventure, one that may decide the fate of Earth. Online experience may vary from person to person. Gun Meister is rated [Adult] and only those eighteen or older are allowed to enter a world of guns, violence, profanity, fast cars, pretty girls, and a hot mess of sexual content. Have we mentioned harems, yet? Every Meister gets one. This version contains uncensored and detailed descriptions of sex. Enjoy.

This title is out of print as of 03/02/2005. A new revised and updated edition: Secrets of Methamphetamine Manufacture, 7th Edition, will be available as of 03/08/2005.

THE MASTER AND MARGARITA

Grove/Atlantic Introduction by Simon Franklin; Translation by Michael Glenny "From the Hardcover edition."

THE REAL NORTH KOREA

LIFE AND POLITICS IN THE FAILED STALINIST UTOPIA

Oxford University Press After providing an accessible history of the nation, the author turns his focus to what North Korea is, what its leadership thinks and how its people cope with living in such an oppressive and poor place, arguing that North Korea is not irrational, but rather a nation that has survived against all odds.

THE BARK COVERED HOUSE

BoD - Books on Demand Reproduction of the original: The Bark Covered House by William Nowlin

MASTER OF BLOOD AND SHADOW

BOOK ONE OF THE HARROVEN BLOODLINE

The ancient vampire Lord Harroven wakes from his tomb to find the slayers pounding at his door and driving stakes through the hearts of his beautiful undead brides. His castle in ruins, he must flee into the storm with only his lovely young Anna and dreams of brutal revenge to keep him warm. Driven by rage, thirst, and an insatiable lust for women, Harroven finds himself caught up in a war of men, demons, and gods... and one rather delicious she-elf. Enter a world of magic, sex, and violence with a cocksure vampire lord as your guide!

AUSTRIA, HUNGARY, AND THE HABSBURGS

CENTRAL EUROPE C.1683-1867

OUP Oxford This book address a number of interrelated themes over two hundred years and more in the political, religious, cultural, and social history of a broad but often neglected swathe of the European continent. It seeks - against the grain of conventional presentations - to apprehend the era from the later seventeenth to the later nineteenth century as a whole, and to demonstrate continuities, as well as casting light on key aspects of the evolution towards modern statehood and national awareness in Central Europe, and the crises of ancien-regime structures there in the face of new challenges at home and abroad. Each of the essays - some of which specially written for this volume, and others available for the first time in English - is intended to be free-standing and accessible on its own; but they are also designed to fit together and demonstrate an overall coherence. Much attention is devoted to the Austrian or

Habsburg lands, especially the interplay of the main territories which comprised them. A central issue here is the evolution of the kingdom of Hungary, from its full acquisition by the Habsburgs at the beginning of the period to the emergence of the dual Austro-Hungarian Monarchy at the end. But the chapters also range more broadly, both territorially and chronologically. Though much of the scholarship underpinning this masterly exploration may be unfamiliar to many readers, this is an elegantly written and stimulating collection, which reflects the exploratory and individual character of the essay as a genre.

THE GREAT SHARK HUNT

STRANGE TALES FROM A STRANGE TIME

Pan Macmillan 'Well . . . yes, and here we go again' Dr Hunter S. Thompson Indeed we do. Here, in one chunky volume, is the best of gonzo. From Private Thompson in trouble with the air force, to the devastating portrait of the ageing Muhammad Ali. Taking in the Kentucky Derby, Freak Power in the Rockies, Nixon in '68, McGovern in '72, Fear and Loathing at the Watergate, Jimmy Carter and the Great Leap of Faith - and much more. An indispensable compendium of decadence, depravity and horse-sense. 'Hunter Thompson elicits the same kind of admiration one would feel for a streaker at Queen Victoria's funeral' William F. Buckley 'No other reporter reveals how much we have to fear and loathe, yet does it so hilariously. Now that the dust of the sixties has settled, his hallucinated vision strikes one as having been the sanest' Nelson Algren

THE WORLD OF YESTERDAY

AN AUTOBIOGRAPHY

U of Nebraska Press Stefan Zweig (1881-1942) was a poet, novelist, and dramatist, but it was his biographies that expressed his full genius, recreating for his international audience the Elizabethan age, the French Revolution, the great days of voyages and discoveries. In this autobiography he holds the mirror up to his own age, telling the story of a generation that "was loaded down with a burden of fate as was hardly any other in the course of history." Zweig attracted to himself the best minds and loftiest souls of his era: Freud, Yeats, Borgese, Pirandello, Gorky, Ravel, Joyce, Toscanini, Jane Addams, Anatole France, and Romain Rolland are but a few of the friends he writes about.

LEWD KINGDOMS: SHADOW'S EDGE

A HIGH FANTASY DIGITAL ADVENTURE

Thomas always enjoyed kingdom/city simulation games. When he discovers there is a kingdom building expansion to the hugely popular VRMMORPG Lewd Saga, he is determined to join the sensual fantasy game and build his destiny. Thomas becomes Edric Temple, summoner and adventurer, searching for others to help build a kingdom while a war rages across all of Lukken. The player slowly realizes Lewd Saga is more than just a fantasy game. Dark plots, torn hearts and medieval politics will place the young summoner in the eye of the storm between guilds, troll masters and what his heart truly desires. Can Edric keep his new friends and fledgling kingdom together as the forces of darkness threaten to destroy everything they created? Lewd Saga is a Virtual MMORPG, based in the fantasy world of Lukken, home of dragon royalty, human kingdoms and troll masters. Players quest, grow their abilities, join in great battles and find love and lust in whatever form they desire. There is no taboo too great or too intimate. Warning: The tale you are about to read is a story of sexual creatures, human or otherwise. This tale is for adults 18 and up.

PURGATORY WARS

Welcome to Purgatory - a world where anything can happen! Everything is going well for Liam. He's just won a martial arts competition and got lucky with a hot girl when he is suddenly flung through a portal into the strange world of Purgatory. A world full of valkyries, elves, goblins and succubi, pulsing with magic and sexual energy. A world where Liam's steel sword and iPod full of 20th Century knowledge make him a virtual superhero. A world where people want him dead... Purgatory Wars: Season One by Dragon Cobolt collects The Murder Stroke, Riposte, The Cross Guard and The Blood Groove - the first four novellas in this best-selling fantasy series - as well as three brand new stories. Over 220,000 words of epic adventure, unique characters and plenty of sex.

FROM CALIGARI TO HITLER

A PSYCHOLOGICAL HISTORY OF THE GERMAN FILM

Princeton University Press An essential work of the cinematic history of the Weimar Republic by a leading figure of film criticism First published in 1947, From Caligari to Hitler remains an undisputed landmark study of the rich cinematic history of the Weimar Republic. Prominent film critic Siegfried Kracauer examines German society from 1921 to 1933, in light of such movies as The Cabinet of Dr. Caligari, M, Metropolis, and The Blue Angel. He explores the connections among film aesthetics, the prevailing psychological state of Germans in the Weimar era, and the evolving social and political reality of the time. Kracauer makes a startling (and still controversial) claim: films as popular art provide insight into the unconscious motivations and fantasies of a nation. With a critical introduction by Leonardo Quaresima which provides context for Kracauer's scholarship and his contributions to film studies, this Princeton Classics edition makes an influential work available to new generations of cinema enthusiasts.

KARL MARX

Harvard University Press Gareth Stedman Jones returns Karl Marx to his nineteenth-century world, before later inventions transformed him into Communism's patriarch and fierce lawgiver. He shows how Marx adapted the philosophies of Kant, Hegel, Feuerbach, and others into ideas that would have—in ways inconceivable to Marx—an overwhelming impact in the twentieth century.

SEXUAL PERSONAE

ART AND DECADENCE FROM NEFERTITI TO EMILY DICKINSON

Yale University Press From ancient Egypt through the nineteenth century, *Sexual Personae* explores the provocative connections between art and pagan ritual; between Emily Dickinson and the Marquis de Sade; between Lord Byron and Elvis Presley. It ultimately challenges the cultural assumptions of both conservatives and traditional liberals. 47 photographs.

MILITAINMENT, INC.

WAR, MEDIA, AND POPULAR CULTURE

Routledge Militainment, Inc. offers provocative, sometimes disturbing insight into the ways that war is presented and viewed as entertainment—or "militainment"—in contemporary American popular culture. War has been the subject of entertainment for centuries, but Roger Stahl argues that a new interactive mode of militarized entertainment is recruiting its audience as virtual-citizen soldiers. The author examines a wide range of historical and contemporary media examples to demonstrate the ways that war now invites audiences to enter the spectacle as an interactive participant through a variety of channels—from news coverage to online video games to reality television. Simply put, rather than presenting war as something to be watched, the new interactive militainment presents war as something to be played and experienced vicariously. Stahl examines the challenges that this new mode of militarized entertainment poses for democracy, and explores the controversies and resistant practices that it has inspired. This volume is essential reading for anyone interested in the relationship between war and media, and it sheds surprising light on the connections between virtual battlefields and the international conflicts unfolding in Iraq and Afghanistan today.

WORDSWORTH'S BARDIC VOCATION, 1787-1842

Lulu.com Wordsworth's Bardic Vocation, the most comprehensive critical study of the poet since the 1960s, presents the poet as balladist, sonneteer, minstrel, elegist, prophet of nature, and national bard. The book argues that Wordsworth's uniquely various oeuvre is unified by his sense of bardic vocation. Like Walt Whitman or the bards of Cumbria, Wordsworth sees himself as 'the people's remembrancer'. Like them, he sings of nature and endurance, laments the fallen, fosters national independence and liberty. His task is to reconcile in one society 'the living and the dead' and to nurture both 'the people' and 'the kind'. Review Comment: 'This erudite exposition, profligate with its ideas ... succeeds as few others have done in apprehending Wordsworth's career holistically, incorporating all its diversities and apparent inconsistencies into a unified vision. It justifies fully the notion proposed by Hughes and Heaney that he was England's last national poet.' - Duncan Wu, Review of English Studies

SOUL EATER

Yen Press LLC Maka is a weapon meister, determined to turn her partner, a living scythe named Soul Eater, into a powerful death scythe - the ultimate weapon of Death himself! Charged with the task of collecting and devouring the tainted souls of ninety-nine humans and one witch, Maka and her fellow meisters strive to master their weapons as they face off against the bizarre and dangerous minions of the underworld. But the meisters' own personal quirks may prove a bigger obstacle than any sultry enchantress!

FORGED BONDS

Sean and his Bonded settled in Hearthglen to learn, train, and grow. Taking on an apprentice, setting up his shop, and Bonding both Chastity and Andrea to him, Sean felt like he would finally be able to learn about this world and try his hand at new things. Sean stepped on some toes as he tried to find his place in the city, but by ignoring conventions, he friended smith and Shaper alike, forging friendships across the divide. The newly formed alliance discovered common ground when opposition rose up to hinder them. Sean never anticipated the assassins that came for him and his Bonded. With Ida paralyzed and Ryann killed in front of him, Sean lashed out. He killed the attackers, healed Ida, and pulled Ryann back to the world of the living. Guards rushing toward them, Sean had decisions to make- ones that could shake the very foundations of Hearthglen, and maybe the world. (This work contains adult situations that some might find offensive, the least of which is graphic sex. This book is about an Overpowered MC, and contains a harem. You've been warned.)

HAPPY HUNTING: A GAMELIT DUAL HAREM

Planet Kill More over-the-top violence, harem fun, and awesomeness as one man fights against a deathly conspiracy and one woman seeks justice. Letha plans to ascend to Planet Paradise Fourteen, where she will finally have her

revenge. If only this planet were everything it appeared to be on the surface, instead of the golden-framed and crystal-distorted mirror image of Planet Kill. They still have their sex parties, their fighting competitions, and even a sport that is in a way a shrine to everything she tried to leave behind. Along the way, she'll find an old friend, meet new lovers, and have her chance for revenge. Pierce is forming his harem and is now a major player on Planet Kill. He's taking control and saving lives. Only, along the way he discovers that Planet Kill isn't exactly what it appears. There's a conspiracy brewing, one that threatens the nature of humanity. **WARNING: This book contains gratuitous violence and adult content, harems, reverse harems, massively oversized members, breasts galore, and ample blood. You might cringe, you will laugh, and hell, you might even cry. We refuse to apologize for any of it.**

PLANET KILL

Createspace Independent Publishing Platform "It's Hunger Games with sexy times. Saga meets Battle Royale." Form your harem. Kill or be killed. Level up and loot. Welcome to Planet Kill. Pierce has his mission: survive by killing and getting nasty, doing whatever it takes to find his lost wife and others who were abducted and forced to participate in the barbarity that is Planet Kill. In a galaxy where the only way to rise up in society and make it to the paradise planets is through this insanity, he will be up against the most desperate, the most ruthless, and the sexiest fighters alive. Because it's not just a planet--it's the highest rated show around. Contestants level up for kills, get paid for accepting violent and sexual bids, and factions have been made in the form of harems. His plan starts to come together when he meets Letha, one of the most experienced warlords on the planet. She's as lethal as they come and a thousand times as sexy. He's able to learn under her, to start to form his own harem. Only, being her ally means fighting her wars. It's kill or be killed, level up fast and put on the show the viewers want all while proving to Letha and her generals that he has what it takes to be one of them. The alternative is death, leaving his wife to her fate of being hunted by monsters. **WARNING: This book contains gratuitous violence and sex, harems, reverse harems, massively oversized members, breasts galore, and ample blood. You might cringe, you will laugh, and hell, you might even cry. We refuse to apologize for any of it.**

INFORMATION TECHNOLOGY FOR PEACE AND SECURITY

IT APPLICATIONS AND INFRASTRUCTURES IN CONFLICTS, CRISES, WAR, AND PEACE

Springer This book offers an introduction to Information Technology with regard to peace, conflict, and security research, a topic that it approaches from natural science, technical and computer science perspectives. Following an initial review of the fundamental roles of IT in connection with peace, conflict and security, the contributing authors address the rise of cyber conflicts via information warfare, cyber espionage, cyber defence and Darknets. The book subsequently explores recent examples of cyber warfare, including: • The Stuxnet attack on Iran's uranium refining capability • The hacking of the German Federal Parliament's internal communication system • The Wannacry malware campaign, which used software stolen from a US security agency to launch ransomware attacks worldwide The book then introduces readers to the concept of cyber peace, including a discussion of confidence and security-building measures. A section on Cyber Arms Control draws comparisons to global efforts to control chemical warfare, to reduce the risk of nuclear war, and to prevent the militarization of space. Additional topics include the security of critical information infrastructures, and cultural violence and peace in social media. The book concludes with an outlook on the future role of IT in peace and security. Information Technology for Peace and Security breaks new ground in a largely unexplored field of study, and offers a valuable asset for a broad readership including students, educators and working professionals in computer science, IT security, peace and conflict studies, and political science.

HUMAN BY DESIGN

FROM EVOLUTION BY CHANCE TO TRANSFORMATION BY CHOICE

Hay House Human by Design invites you on a journey beyond Darwin's theory of evolution, beginning with the fact that we exist as we do, even more empowered, and more connected with ourselves and the world, than scientists have believed possible.***In one of the great ironies of the modern world, the science that was expected to solve life's mysteries has done just the opposite. New discoveries have led to more unanswered questions, created deeper mysteries, and brought us to the brink of forbidden territory when it comes to explaining our origin and existence. These discoveries reveal the following facts: - Fact 1. Our origin--Modern humans appeared suddenly on earth approximately 200,000 years ago, with the advanced brain, nervous system, and capabilities that set them apart from all other known forms of life already developed, rather than having developed slowly and gradually over a long periods of time.- Fact 2. Missing physical evidence--The relationships shown on the conventional tree of human evolution are speculative connections only. While they are believed to exist, a 150-year search has failed to produce the physical evidence that confirms the relationships shown on the evolutionary family tree.- Fact 3. New DNA evidence--The comparison of DNA between ancient Neanderthals, previously thought to be our ancestors, and early humans tells us that we did not descend from the Neanderthals.- Fact 4. A rare DNA fusion--Advanced genome analysis reveals that the DNA that sets us apart from other primates, including in our advanced brain and nervous system, is the result of an ancient and precise fusion of genes occurring in a way that suggests something beyond evolution made our humanness possible.- Fact 5. Our extraordinary abilities--We are born with the capacity to self-heal, to self-regulate longevity, to activate an enhanced immune response, and to experience deep intuition, sympathy, empathy, and, ultimately, compassion--and to do each of these on demand.In this book, New York Times best-selling author and 2017 Templeton Award nominee Gregg Braden crosses the traditional boundaries of science and spirituality to answer the

timeless question at the core of our existence--Who are we?--and to reveal science-based techniques that awaken our uniquely human experiences of deep intuition, precognition, advanced states of self-healing, and much more! Beyond any reasonable doubt, Human by Design reveals that we're not what we've been told, and much more than we've ever imagined.

SCIENCE FICTION LITERATURE IN EAST GERMANY

Peter Lang East German science fiction enabled its authors to create a subversive space in another time and place. One of the country's most popular genres, it outlined futures that often went beyond the party's official version. Many utopian stories provided a corrective vision, intended to preserve and improve upon East German communism. This study is an introduction to East German science fiction. The book begins with a chapter on German science fiction before 1949. It then spans the entire existence of the country (1949-1990) and outlines key topics essential to understanding the genre: popular literature, socialist realism, censorship, fandom, and international science fiction. An in-depth discussion addresses notions of high and low literature, elements of the fantastic and utopia as critical narrative strategies, ideology and realism in East German literature, gender, and the relation between literature and science. Through a close textual analysis of three science fiction novels, the author expands East German literary history to include science fiction as a valuable source for developing a multi-faceted understanding of the country's short history. Finally, an epilogue notes new titles and developments since the fall of the Berlin Wall.

THE ORIGINAL COPY

PHOTOGRAPHY OF SCULPTURE, 1839 TO TODAY

The Museum of Modern Art Since its birth in the first half of the 19th century, photography has offered extraordinary possibilities of isolating works of art for study and pleasure. Through cropping, focus, angle of view, distance and lighting as well as the ex post facto techniques of dark room manipulation, collage, montage and assemblage, photographers not only interpret the artworks they record but create stunning reinventions. The Original Copy: Photography of Sculpture, 1839 to Today presents a critical examination of the intersections between photography and sculpture. Through a selection of nearly 300 outstanding pictures by more than 100 artists from the 19th century to the present, The Original Copy explores how one medium has become implicated in the understanding of the other. Photographs reproduced in this richly illustrated volume range in subject from inanimate objects to performing bodies, and include major works by mediums most influential artists, from early modernism to the present.

SWEARING AND CURSING

CONTEXTS AND PRACTICES IN A CRITICAL LINGUISTIC PERSPECTIVE

Walter de Gruyter GmbH & Co KG While most of the more recent influential work on swearing has concentrated on English and other languages from the Global North, looking at forms and functions of swear words, this contribution redirects the necessary focus onto a sociolinguistics of swearing that puts transgressive practices in non-Western languages into the focus. The transdisciplinary volume contains innovative case studies that address swearing and cursing in parts of the world characterized by consequences of colonialism and increasingly debated inequalities. Turning away from more conventional and established methodologies and theoretical approaches, the book envisages to address transgressive linguistic practices, performances and contexts in Africa, Asia, America and Europe -including individuals' creativity, subversive power and agency. Due to its interdisciplinary and non-mainstream focus, this volume is an essential addition to the field of studies.

THE CRPG BOOK: A GUIDE TO COMPUTER ROLE-PLAYING GAMES

Reviews over 400 seminal games from 1975 to 2015. Each entry shares articles on the genre, mod suggestions and hints on how to run the games on modern hardware.

THE CAMBRIDGE HISTORY OF GERMAN LITERATURE

Cambridge University Press This is the first book to describe German literary history up to the unification of Germany in 1990. It takes a fresh look at the main authors and movements, and also asks what Germans in a given period were actually reading and writing, what they would have seen at the local theatre or found in the local lending library; it includes, for example, discussions of literature in Latin as well as in German, eighteenth-century letters and popular novels, Nazi literature and radio plays, and modern Swiss and Austrian literature. A new prominence is given to writing by women. Contributors, all leading scholars in their field, have re-examined standard judgements in writing a history

for our own times. The book is designed for the general reader as well as the advanced student: titles and quotations are translated, and there is a comprehensive bibliography.

THE NIGHT MANAGER

Penguin UK In *The Night Manager*, John le Carré's first post-Cold War novel, an ex-soldier helps British Intelligence penetrate the secret world of ruthless arms dealers. 'Le Carré is the equal of any novelist now writing in English' Guardian 'A marvellously observed relentless tale' Observer At the start of it all, Jonathan Pine is merely the night manager at a luxury hotel. But when a single attempt to pass on information to the British authorities - about an international businessman at the hotel with suspicious dealings - backfires terribly, and people close to Pine begin to die, he commits himself to a battle against powerful forces he cannot begin to imagine. In a chilling tale of corrupt intelligence agencies, billion-dollar price tags and the truth of the brutal arms trade, John le Carré creates a claustrophobic world in which no one can be trusted. 'Complex and intense ... page-turning tension' San Francisco Chronicle 'When I was under house arrest I was helped by the books of John le Carré ... they were a journey into the wider world ... These were the journeys that made me feel that I was not really cut off from the rest of humankind' Aung San Suu Kyi 'One of those writers who will be read a century from now' Robert Harris 'He can communicate emotion, from sweating fear to despairing love, with terse and compassionate conviction' Sunday Times (on *The Spy Who Came in from the Cold*) 'Return of the master . . . Having plumbed the devious depths of the Cold War, le Carré has done it again for our nasty new age' The Times (on *Our Kind of Traitor*)

A GUIDE TO JAPANESE ROLE-PLAYING GAMES

THE ANTI-NOMIES OF REALISM

Verso Books *The Antinomies of Realism* is a history of the nineteenth-century realist novel and its legacy told without a glimmer of nostalgia for artistic achievements that the movement of history makes it impossible to recreate. The works of Zola, Tolstoy, Pérez Galdós, and George Eliot are in the most profound sense inimitable, yet continue to dominate the novel form to this day. Novels to emerge since struggle to reconcile the social conditions of their own creation with the history of this mode of writing: the so-called modernist novel is one attempted solution to this conflict, as is the ever-more impoverished variety of commercial narratives - what today's book reviewers dub "serious novels," which are an attempt at the impossible endeavor to roll back the past. Fredric Jameson examines the most influential theories of artistic and literary realism, approaching the subject himself in terms of the social and historical preconditions for realism's emergence. The realist novel combined an attention to the body and its states of feeling with a focus on the quest for individual realization within the confines of history. In contemporary writing, other forms of representation - for which the term "postmodern" is too glib - have become visible: for example, in the historical fiction of Hilary Mantel or the stylistic plurality of David Mitchell's novels. Contemporary fiction is shown to be conducting startling experiments in the representation of new realities of a global social totality, modern technological warfare, and historical developments that, although they saturate every corner of our lives, only become apparent on rare occasions and by way of the strangest formal and artistic devices. In a coda, Jameson explains how "realistic" narratives survived the end of classical realism. In effect, he provides an argument for the serious study of popular fiction and mass culture that transcends lazy journalism and the easy platitudes of recent cultural studies.

BOOK OF ANONYMITY

TWELVE YEARS A SLAVE

Prabhat Prakashan "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

MANA MASTER

In a world where mages and monster grow from cultivating mana. Isaac joins the class of humans known as mages who absorb mana to grow more powerful. To become a mage he must bind a mana beast to himself to access and control mana. But when his mana beast is far more human than he expected; Isaac struggles with the budding relationship between the two of them as he prepares to enter his first dungeon. Unfortunately for Isaac, he doesn't have time to ponder the questions of his relationship with Aurora. Because his sleepy town of Locksprings is in for a rude awakening, and he has to decide which side of the war he is going to stand on. Disclaimer: There are adult situations and harem relationships.

IRELAND'S HIDDEN DEPTHS

Sherkin Island Marine Station Publications

CAR CRASH CULTURE

Springer A morbidly fascinating and articulate collection of essays, this book explores the grim underside of America's cult of the automobile and the disturbing, frequently conspiratorial, speculations that arise whenever the car becomes the cause or the site of human death. Through analysis of fatal celebrity car accidents and other examples of death by

automobile, as well as through personal memoir and forensic reports, cultural critics ponder our very human fascination with the car crash. Topics include the roles and experiences of passengers and bystanders, car crash conspiracy theories, the automobile as a site of murder, studies of car crash cinema, and psychological interpretations of the notion of the 'accident.' The book features original essays by such underground icons as Kenneth Anger and Adam Parfrey.

LANGUAGE AND SILENCE

Faber & Faber How do we evaluate the power and utility of language when it has been manipulated to circumvent the truth at high levels or charged with vulgarity and imprecision by mass-consumer culture? How can fractured language adapt to the demands of more exact speech required by mathematics and symbolic notation? These are some of the questions addressed in this elegantly written book, first published in 1967 to international acclaim.

ECCE HOMO

For the title of his autobiography, Friedrich Nietzsche chose Pilate's words upon discharging Christ to the mob: *Ecce Homo*, or "Behold the man." The original subtitle, *How One Becomes What One Is*, suggests a psychologically intriguing exploration of the philosopher's personal history. Nietzsche fulfills that promise with a dramatic summation of his life and career that turns conventional notions of autobiography inside out. Published posthumously in 1908, *Ecce Homo* was written in 1888 and completed just a few weeks before Nietzsche's complete mental collapse. Its outrageously egotistical review of the philosopher's life and works -- featuring chapters called *Why I Am So Wise* and *Why I Write Such Good Books* -- are redeemed from mere arrogance by masterful language and ever-relevant ideas. In addition to settling scores with his many personal and philosophical enemies (including Richard Wagner, German nationalism, and Christianity), Nietzsche emphasizes the importance of questioning traditional morality, establishing autonomy, and making a commitment to creativity. Essential reading for students of philosophy, this unique memoir is crucial to an understanding of Nietzsche's other works.

THE REST IS NOISE

LISTENING TO THE TWENTIETH CENTURY

Farrar, Straus and Giroux Winner of the 2007 National Book Critics Circle Award for Criticism A New York Times Book Review Top Ten Book of the Year Time magazine Top Ten Nonfiction Book of 2007 Newsweek Favorite Books of 2007 A Washington Post Book World Best Book of 2007 In this sweeping and dramatic narrative, Alex Ross, music critic for *The New Yorker*, weaves together the histories of the twentieth century and its music, from Vienna before the First World War to Paris in the twenties; from Hitler's Germany and Stalin's Russia to downtown New York in the sixties and seventies up to the present. Taking readers into the labyrinth of modern style, Ross draws revelatory connections between the century's most influential composers and the wider culture. *The Rest Is Noise* is an astonishing history of the twentieth century as told through its music.

OF HUMAN BONDAGE

Library of Alexandria A young, handicapped physician is degraded in an affair with a waitress.
