# Remarkable Women

**Hachette UK** 'A pretty awesome present for the feminist in your life' - Caroline Criado Perez, OBE, author of Do It Like a Woman At the last count, the Blue Plaque Guide honours 903 Londoners, and a walking tour of these sites brings to life the London of a bygone era. But only 111 of these blue plaques commemorate women. Over the centuries, London has been home to thousands of truly remarkable women who have made significant and lasting impacts on every aspect of modern life: from politics and social reform, to the Arts, medicine, science, technology and sport. Many of those women went largely unnoticed, even during their own lifetimes, going about their lives quietly but with courage, conviction, skill and compassion. Others were fearless, strident trail-blazers. Many lived in an era when their achievements were given a male name, clouding the capabilities of women in any field outside of the home or field. A Woman Lived Here shines a spotlight on some of these forgotten women to redress the balance. The stories on these pages commemorate some of the most remarkable of London's women, who set out to make their world a little richer, and in doing so, left an indelible mark on ours.

# The Secret History of Wonder Woman

Drawing from an astonishing trove of documents, including never-before-seen private papers, Harvard historian and New Yorker staff writer Jill Lepore reveals the fascinating family story that sparked the invention of the most popular female superhero of all time. Delving into the life of Wonder Woman's eccentric creator, psychologist William Moulton Marston, Lepore uncovers her feminist origins: from the warrior princesses of the Amazon, to suffragists including Emmeline Pankhurst, and the women Marston shared his life with - his wife and his mistress. The Secret History of Wonder Woman is at once a riveting work of pop-culture history, and a crucial insight into the struggle for women's rights in the twentieth century and the troubled place of feminism today.

### The Walk Out Woman

### When Your Heart Is Empty and Your Dreams Are Lost

**Multnomah** Every woman longs to be appreciated, respected, and adored, but when her needs aren't met within her marriage, she could be tempted to walk away. As little hurts and disappointments accumulate and her heart hardens, a woman's loneliness and vulnerability take over, and she might find emotional fulfillment elsewhere, perhaps in even a casual encounter with another man. When the marriage enters this realm of real danger, the woman believes it will be less painful to walk away than try to work on it. With heart and wisdom, Dr. Steve Stephens and Alice Gray offer practical advice for how to stop this epidemic of walk-out women. They outline the warning signs of severe marital discontent and share how to reconnect with your spouse, communicate your hurt, and open your heart. If both partners are willing to work at it, any marriage can be saved. Are You Even Thinking About Walking Out? "I'm at the point where I don't think it is worth the effort anymore." "The only reason I'm staying is because of the children." "Surely God doesn't want me to be this unhappy." Every woman longs to be appreciated, valued, and cared for. When these needs go unmet, she may be tempted to leave the husband she once loved—but walking out is seldom the path to happiness. Like trusted friends, Dr. Steve Stephens and Alice Gray offer wise and gentle advice to restore hope to your marriage. You'll discover proven methods for how you can

move toward each other rather than away, build up instead of tear down, and find love rather than lose it. Story Behind the Book Although a growing number of women are walking away from their marriages, there are no books to help them realize that this is not the path to happiness. A woman's discontentment settles like dust on furniture, and although she tries, she fails to make her husband understand. His responses seem too little and too late. Many women mistakenly believe it is easier emotionally to leave the marriage than try to restore it. We want a woman to realize that even when her heart seems closed to her husband, there is a way to open it and become one again. Loss of love does not equal loss of marriage. Loss of hope does not mean the relationship should be abandoned.
