2021 PLANNER

MONTHLY | WEEKLY | DAILY ORGANIZER FOR WOMEN WITH INSPIRATIONAL QUOTES | YELLOW FLORAL

2021 Planner by Gardenia Obsession - A new year comes with new goals! ♥ This beautiful planner encourages you to set top priorities for the week that align with your big picture goals...with inspirational phrases and priorities tracking, this planner helps you bloom into the person you're meant to be! We hope to inspire you during your day whether you are powering through a workday or enjoying a much-needed self-care day. In this planner you can find two planning pages per week. Left page is a weekly overview for priorities, events/appointments/due dates, notes, and two small calendars. Right page is dedicated for daily TO DOs (Monday through Sunday). Nine lined pages at the end of the planner for notes, contacts, or other important info. This softcover planner is small enough to squeeze in your bag but big enough to write down all your appointments, errands, and activities. Instead of an app or gadget that claims to jump-start your productivity, this year, you should invest in a good paper planner. After all, there's plenty of research that shows that actually writing down your to-do list and schedule for the day -- rather than typing it out on a laptop or your iPhone -- makes you feel more engaged in the task at hand! Pssst - These also make wonderful gifts for the planners, moms, sisters, friends, teachers and floral lovers in your life!
