## If You Could See Me Now

HarperCollins UK Tender, magical and captivating - a story of family, friends, and the unlikeliest of romances from the No. 1 bestselling author, Cecelia Ahern.

## Historic Lighthouse Preservation Handbook

U.S. Government Printing Office

## The Egg and I

HarperCollins “A work of real comic genius. . . . A wonderful, funny, warm, honest book, and, to use a much overused word, a classic.” –Michael Korda, author of Country Matters When Betty MacDonald married a marine and moved to a small chicken farm on the Olympic Peninsula in Washington State, she was largely unprepared for the rigors of life in the wild. With no running water, no electricity, a house in need of constant repair, and days that ran from four in the morning to nine at night, the MacDonalds had barely a moment to put their feet up and relax. And then came the children. Yet through every trial and pitfall—through chaos and catastrophe—this indomitable family somehow, mercifully, never lost its sense of humor. A beloved literary treasure for more than half a century, Betty MacDonald's The Egg and I is a heartwarming and uproarious account of adventure and survival on an American frontier.

## Stealing Home (A Sweet Magnolias Novel, Book 1)

HarperCollins UK Now a Major Netflix Series Maddie Townsend might live in a town called Serenity, but there's been nothing calm or peaceful about her life since her marriage broke up.

## A Curve in the Road

Lake Union Publishing Abbie MacIntyre is living the dream in the picturesque Nova Scotia town she calls home. She is a successful surgeon, is married to a handsome cardiologist, and has a model teenage son who is only months away from going off to college. But then one fateful night, everything changes. When a drunk driver hits her car, Abbie is rushed to the hospital. She survives, but the accident forces unimaginable secrets out into the open and plagues Abbie with nightmares so vivid that she starts to question her grip on reality. Her perfect life begins to crack, and those cracks threaten to shatter her world completely. The search for answers will test her strength in every way—as a wife, a career woman, and a mother—but it may also open the door for Abbie to move forward, beyond anger and heartbreak, to find out what she is truly made of. In learning to heal and trust again, she may just find new hope in the spaces left behind.

# Tiger-lilies

## A Novel

"Tiger-Lilies is actually a somewhat autobiographical book. In it, Lanier analyzes the relationship between a Northerner and a Southerner throughout the Civil War. As a Southerner who had fought for the Confederate army, Lanier had experienced the war firsthand, both on the battlefield and as a prisoner of war. These experiences are recognizable in the battle scenes especially, which are considered some of the most realistic representations of Civil War combat in literature. Ultimately, Tiger-Lilies can be interpreted as an anti-war novel and one of Lanier's less successful endeavors in the course of his career."--The History Engine.

## Sweet Tea and Sympathy

## A Book Club Recommendation!

Simon and Schuster From beloved author Molly Harper comes the first novel in the contemporary romance series, Southern Eclectic, about a big-city party planner who finds true love in a small Georgia town. Nestled on the shore of Lake Sackett, Georgia is the McCready Family Funeral Home and Bait Shop. (What, you have a problem with one-stop shopping?) Two McCready brothers started two separate businesses in the same building back in 1928, and now it's become one big family affair. And true to form in small

Southern towns, family business becomes everybody's business. Margot Cary has spent her life immersed in everything Lake Sackett is not. As an elite event planner, Margot's rubbed elbows with the cream of Chicago society, and made elegance and glamour her business. She's riding high until one event goes tragically, spectacularly wrong. Now she's blackballed by the gala set and in dire need of a fresh start—and apparently the McCreadys are in need of an event planner with a tarnished reputation. As Margot finds her footing in a town where everybody knows not only your name, but what you had for dinner last Saturday night and what you'll wear to church on Sunday morning, she grudgingly has to admit that there are some things Lake Sackett does better than Chicago—including the dating prospects. Elementary school principal Kyle Archer is a fellow fish-out-of-water who volunteers to show Margot the picture-postcard side of Southern living. The two of them hit it off, but not everybody is happy to see an outsider snapping up one of the town's most eligible gentleman. Will Margot reel in her handsome fish, or will she have to release her latest catch?

## Punk 57

Createspace Independent Publishing Platform From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F\*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. \*Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.

## Catching Fireflies

MIRA When high school teacher Laura Reed and pediatrician J.C. Fullerton establish once and for all that bullying has no place in Serenity, South Carolina, they find their passion for the cause turning into a passion for each other.

## Memoirs of Service Afloat

### During the War Between the States

### The Leaving

Bloomsbury Publishing Eleven years ago, six five-year-olds went missing without a trace. After all this time, the people left behind have moved on, or tried to. Until today. Now five of those kids are back. They're sixteen, and they are ... fine. Scarlett comes home and finds a mother she barely recognises, and doesn't really know who she's supposed to be, either. But she remembers Lucas. Lucas remembers Scarlett, too, but they can't recall where they've been or what happened to them. Neither of them remember the sixth victim, Max. He doesn't come back and everyone wants answers. Addictive and unforgettable, The Leaving seethes with rich characters, tense storytelling and high stakes.

## The Sex Lives Of Cannibals

Random House Fantasized about quitting the 9-5? Walking away from credit card debt and student loans? Think living in the South Pacific for two years sounds like a perfect solution and perhaps even a winning idea for your first novel? Maarten Troost does just that, setting up as a devil-may-care islander while his girlfriend, Sylvia, gets to work on saving the planet, or at least a little part of it on an end-of-the-world atoll, Tarawa. Life on Tarawa resembles not so much paradise as a theatre of the absurd where planes fly with the aid of masking tape, Coconut Stalinism prevails as national government and Sylvia is co-opted by the CIA to spy on the Chinese. But abandoning continental hang-ups like barbequeing the local dogs and watching on as international industrial fishing trawlers plunder

the world's richest tuna supply aren't so easy. Perhaps only by following the locals and letting go, one just might find a better way to live...

## Where Azaleas Bloom (A Sweet Magnolias Novel, Book 10)

HarperCollins UK Now a Major Netflix Series New York Times and USA TODAY bestselling author Sherryl Woods explores the healing power of a love strong enough to join two wounded families.

## Falling Upwards

## How We Took to the Air

HarperPress FALLING UPWARDS is a vivid group biography and adventure that tells how men and women first felt as they rose towards the clouds into a new dimension - of science, exploration, warfare, literature, discovery. Romantic biographer Richard Holmes floats across the world following the pioneer generation of balloon aeronauts, from the first heroic experiments of the Montgolfiers in 1780s to the tragic attempt to fly a balloon to the North Pole in the 1890s. Dramatic sequences move from the early Anglo-French balloon rivalries, the crazy firework flights of beautiful Sophie Blanchard; the revelatory ascents over sprawling Victorian industrial cities of Northern Europe; and the astonishing long-distance voyages of the American entrepreneur John Wise, and the French photographer Felix Nadar. Later we find balloons used to observe the horrors of battle during the American Civil War (including a memorable flight by General Custer); the tale of sixty balloons that escaped Paris during the Prussian siege of 1870; and the terrifying seven mile high flight - without oxygen - of James Glaisher, helping to establish the science of meteorology and the environmental notion of a 'fragile' planet. Readers will also discover the writers - from Mary Shelley to Edgar Alan Poe, Dickens to Verne - who allowed the imaginative impact of flight to soar in their work. In exploring the interplay between technology and science fiction, the understanding of the biosphere, and the metaphysics of flight itself, Holmes offers another of his subtle portraits of human endeavour, recklessness and vision.

# 100 Days of Sunlight

When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

## Cult Fiction

## Popular Reading and Pulp Theory

Springer Here is an exploration of pulp literature and pulp mentalities: an investigation into the nature and theory of the contemporary mind in art and in life. Here too, the violent, the sensational and the erotic signify different facets of the modern experience played out in the gaudy pages of kitsch literature. Clive Bloom offers the reader a chance to investigate the underworld of literary production and from it find a new set of co-ordinates for questions regarding publishing and reading practices in America and Britain, ideas of genre, problems related to commercial production, concerns regarding high and low culture, the canon and censorship, as well as a discussion of the rhetoric of current critical debate. Concentrating on remembered authors as well as many long disregarded or forgotten, Cult Fiction provides a theory of kitsch art that radically alters our perceptions of literature and literary values whilst providing a panorama of an almost forgotten history: the history of pulp.

# The Lost Ranger

# A Soldier's Story

Createspace Independent Publishing Platform "This is the story of a United States Army Ranger. It is the story of his service in World War II. It is the story of an American Infantryman in World War II. It is the story of the 5th Infantry Battalion from its creation through September 1944 ... It is the story of how a man became lost to the consciousness of his unit. It is about how a soldier was lost to history. This story is about the research to find him in and of itself and what the journey yielded. Most importantly however, it is about how with the help of some determined individuals, he was brought home to his brothers in the 5th Ranger Infantry Battalion, to his rightful place in the unit history"--Page 4.
