## The Lie: Evolution (25th Anniversary Edition: Revised and Expanded)

*New Leaf Publishing Group* In 1987 Ken Ham wrote what would become a prophetic warning to the Church about the destructive effects of compromise with evolutionary ideas, and how this compromise undermines Scriptural authority and erodes Christian confidence in the infallibility of God's Word. Today we have Christians not only confused when it comes to Genesis and age of the earth, but even the reality of Hell, Adam as a real person, and Christ's own words about creation, marriage and more are being debated in the pulpits across the world. In this special revised and updated edition, Ken Ham again takes the lead in pointing out the looming precipice the Church is rushing towards, how evolution and/or millions of years, is driving away young people of the faith, and the biblical solution that can change it!

## Eat This Book

### A Conversation in the Art of Spiritual Reading

*Hachette UK* Eugene Peterson's landmark *Spiritual Theology* series is foundational reading for the twenty-first century Church. The product of Peterson's many years' experience as both pastor and professor of the highest calibre, this series combines first-class scholarship and genuine, lived application. Beautifully written, it presents a fresh and urgent evaluation of contemporary Christian spirituality. 'St John walks up to the angel and say, "Give me the book.'" writes Peterson. 'The angel hands it over, "Here it is; eat it, eat the book." And John does. He eats the book - not just reads it - he got it into his nerve endings, his reflexes, his imagination. The book he ate was Holy Scripture.' Eat This Book encourages the art of the reading the Bible so that it becomes a text for living and growing, not just thinking or behaving, and recasts the ancient discipline of lectio divina - spiritual reading - for a postmodern culture. Also available in the *Spiritual Theology* series: *Christ Plays in Ten Thousand Places*, *The Jesus Way*, *The Word Made Flesh* and *Practise Resurrection*.

## Habits of Grace

### Enjoying Jesus through the Spiritual Disciplines

[Crossway](#) The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such “habits of grace” are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it’s hearing God’s voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God’s glory and stir our hearts for lifelong service in his name. What’s more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God’s children today.
