Today is a bad day. The worst actually. After dealing with the constant manhandling that comes with being a cocktail waitress at a dive bar and surviving a date from hell, I see an eviction notice slapped on the door of my sketchy basement apartment. Great. When my best friend Devon shows up at my door and uses his stubborn charm (emphasis on stubborn) to get me to move in with him, I give in. We've had about a million sleepovers since we met in the kindergarten Deaf program, but this time it's different because I can't stop thinking about his hard body covering mine, every single night. I know Devon would do anything for me, but I'm afraid what I want to happen will ruin our friendship forever. And the more time we spend together in close quarters, the harder it'll be to resist the spark of attraction I've always felt. But maybe it's possible to have the best of both worlds: keep the one relationship I can't live without and indulge in an attraction I can't deny. I guess the only thing we can do is try... Many people from all walks of life face unrequited love and wind up in the "friend zone." What if I told you most people friend zone themselves? One of the reasons people end up being "just friends" is they are simply not attractive to the person they desire. Is it possible to get out the friend zone? After observing his grandparents who were madly in love after sixty-three years of marriage, Mat talked his best friend Jason into joining him on a cross-country search for America's greatest marriages. The two bumbling bachelors jumped in an RV and embarked on "Project Everlasting," a 12,000-mile cross-country adventure to discover what it takes to make love last. Each chapter of Project Everlasting is dedicated to one of the pressing questions the bachelors asked the couples, such as: —"How do you know you've found The One?" —"What's missing from today's marriages?" —"How do you keep the romance alive?" —"What's the most important ingredient for a solid marriage?" As the traveled the country, meeting happy couples from all walks of life, Mat and Jason began to understand why their own relationships hadn't worked out quite as planned. They also realized that what they were learning from their wise new friends could change everything for them and—through Project Everlasting—show their generation and generations to come how to build a marriage to last. **The Friend Zone: the most hilarious and heartbreaking romantic comedy** *Hachette UK* 'A deliciously hot, sweet debut.
